Dear Kevin:

I just want to express my appreciation to you for the incredible work and service you provided for the Hudson United Methodist Church while we searched for a new copy machine.

Your knowledge was exemplary; you listened to our needs and found a fit that was exact, without any pressure to purchase above. This was second only to your professionalism during the process, which was outstanding.

We look forward to a long relationship with you and your organization and would not hesitate to recommend you to anyone.

Blessings to you,

Beth Schmitz
