RE: Letter of Recommendation

Dear Jenny:

We would like to offer our recommendation for others to utilize your product and services. It was a pleasure to work with a company that followed through with their commitments as promised. We are very pleased with your terrific service, the fine materials and high-quality installation.

Should any of your prospective clients like to talk to us further concerning your products and services, please have them contact me.

Good luck to you in the future.

Yours very truly,

McGHIE & BETTS, INC.
