

EO Johnson Earns Green Business Designation

Pictured above: Bob McCoy (left), President and CEO – Eau Claire Area Chamber of Commerce, presents the Chamber’s Green Business certificate to Dave Johnson (center), Vice President Branch Operation – EO Johnson Office Technologies, and Todd Brost (right), Eau Claire Sales Manager – EO Johnson Office Technologies on July 23, 2010.

EO Johnson Office Technologies has been recognized by the Eau Claire (WI) Chamber of Commerce as a Green Business. The Chamber’s Green Sustainable Initiative awards the designation based on the following criteria: energy conservation, purchasing, recycling, transportation, social capital, waste prevention, and water conservation. The program encourages businesses to proactively engage in green business practices and operations and to increase awareness of the economic growth opportunities related to the emerging green economy.
